The cover illustration: Acta Orthopaedica Belgica is the official scientific publication of the Belgian societies of orthopedic surgery (BVOT and SOBRCOT). An image of a twisted tree has been used as the frontispiece of the book Orthopaedie by Nicolas Andry (1741). To illustrate the cover of the journal edited by a new team, the artist Pierre Barbier has maintained this tree as a symbol of the important work done by previous editors. The roots of the tree are depicted by Nicolas Andry (1741). To illustrate the cover of the journal edited by a new team, the artist Pierre Barbier has maintained this tree as a symbol of the important work done by previous editors. The roots of the tree are depicted by Nicolas Andry (1741).
