

ORIGINAL STUDIES

- Results of Ilizarov external fixator lengthening compared to lengthening and then plating in management of femoral shortening in children  
W. El-Adly, K. El-Gafary, A. Khashaba, M. Khaled ..... 177
- Surgical approach to forearm pronation deformity in patients with cerebral palsy: a systematic review  
B. De Lepeleere, M. Forward, M. Martens, F. Plasschaert ..... 183
- Arthroscopic treatment of calcific tendinitis without rotator cuff repair using prospectively collected results  
T. Philips, M. Dejonghe, D. Petre ..... 195
- The role of sonication in the diagnosis of periprosthetic joint infection in total shoulder arthroplasty  
J. Mannaerts, V. Wijnen, M. Depypere, F. Verhaegen, Ph. Debeer ..... 201
- External to internal glenohumeral strength ratio in non-traumatic rotator cuff pathologies  
P. Verspeelt, M. De Muynck, G. Vanderstraeten, L. Vanden Bossche, G. Stassijns, L. Öczakar ..... 207
- Percutaneous elevation of radial head fractures without fixation – a promising technique  
D. A. Amini, K. Thiele, J. Hanlon, D. Karczewski, C. Wu, U. Stöckle, H. C. Bäcker, M. Dahne ..... 213
- Triceps reflecting anconeus pedicle approach: a versatile exposure for intercondylar fractures of the humerus  
S. Jitrapaikulsarn, T. Hirunthanawiwat, C. Patamamongkonchai, W. Thremthakanpon, A. Gromprasit ..... 217
- Fractures of the fifth metacarpal neck treated by syndactyly: functional and quality of life outcomes of a series of 39 patients  
J. Maximen, A. Rossetti, N. Vallée, A. De Geyer, T. Dreano, M. Ropars ..... 225
- Long-term clinical outcome of collagenase clostridium histolyticum treatment is independent of Dupuytren Diathesis Scor  
M. Van Nuffel, J. Posthuma De Boer, K. Cootjans, A. Borgers, L. De Smet, I. Degreef ..... 233
- Treatment and outcome of AO/OTA type C distal radius fractures: 12 199 fractures from the Swedish Fracture Register  
M. Sagerfors, H. Jakobsson, P. Wretenberg, O. Brus, M. Möller ..... 241
- Digital mucous cysts of the finger without osteoarthritis: optimizing outcome of long needle trajectory aspiration and injection  
B. Vanmierlo, B. Vandekerckhove, H. De Houwer, A. Decramer, K. Van Royen, J. Goubau ..... 249
- Carpal tunnel decompression: a comparison of elderly and younger patients' sleep quality  
M. Yalin, S. Key, M. Kazez, A. Agar ..... 253
- Primary trapeziectomy with Regjoint™, a poly-L/D-lactide spacer, a two-year follow-up study with new radiological assessment tool  
S. Bogaert, N. Cuylits, K. Drossos, A. Lejeune, M. Tooulou, N. Chahidi ..... 257
- Management of tibial plateau fractures: a fresh review  
K. Khan, M. Mushtaq, M. Rashid, A. A. Rather, O. A. Qureshi ..... 265
- Lateral tibial plateau fractures with posterior comminution. Can a rim plate offer sufficient support?  
Y. Andonov ..... 275
